

Riversdale

Historical Society

Membership Information

The Riversdale Historical Society is the volunteer support organization for the Riversdale House Museum, a National Historic Landmark. Through the efforts of members like you, the Society is able to continue the restoration of the house, create new interpretive projects and enhance the Museum's collection of period historical items. Additionally, the Society maintains the Calvert Family Cemetery, the final resting place of Rosalie, George and their children. The Society also conducts tours of the house, and provides volunteers who operate the Museum Shop. The Society also supports the Kitchen Guild, who demonstrates period cooking in the dependency.

Your membership in the Society will ensure that this historic house will continue to be a source of pride and education for the people of Prince George's County, the State of Maryland, and our Nation.
